PROFESSIONAL SERIES

# TRAFFIC PAINT REMOVER

#### **DESCRIPTION:**

Introducing Technician's Choice® TEC307 Traffic Paint Remover... designed to remove white and yellow traffic paint without damaging most types of automotive surfaces.

### **DIRECTIONS:**

DO NOT USE IN DIRECT SUNLIGHT OR ON HOT SURFACE. TEST SMALL INCONSPICUOUS AREA FOR ADVERSE EFFECTS ON THE AUTOMOTIVE FINISH. Apply the Traffic Paint Remover using the dispensing spout and spread evenly using an applicator pad. Let stand for one (1) to two (2) minutes. Agitate with the pad and rinse with clear water. After rinsing, wash the car with the recommended car wash and wipe dry. Apply the recommended car polish and buff to a shine.

### **OUTSTANDING FEATURES:**

· Safe for most automotive surfaces

## **AVAILABLE SIZE(S):**

(6) 32oz / Case
